ORGANIZATIONAL STRUCTURE

TYPICAL PARTNERS

The image shows a sophisticated interior design, likely a hotel lobby or a high-end residential space. The ceiling is a prominent feature, constructed from a grid of light-colored wood beams with recessed square lighting fixtures. The walls are a mix of materials: some are covered in light wood paneling, while others feature large, textured stone blocks. In the background, there's a reception desk with a stone countertop and a wall-mounted artwork depicting a mountain range. To the left, a wall of wooden lockers is visible. The foreground is furnished with low, light-colored wooden tables, dark, angular armchairs, and modern square lamps with white shades. Decorative elements include large, rough-hewn stones on the floor and small vases with flowers on the tables.
